A meaningful teaching requires a lot of strategies and one of them is giving a 'cue' to the students. It may be a word or a gesture or even a sound .

We are all performers~ acting out different roles throughout our lives . the most challenging is the role of a teacher or facilitator. We inspire and impart knowledge through an experience for the experience called life!

# I have collected a small bank of 'cues' from teachers and share it in the form of an audio clip.

## Body language

The body language is perhaps the most important communicator/cue as it communicates everything NOT being said. That coupled with words leaves a deep and lasting impression. Depending on what was said and how it was said can be discouraging or encouraging.

## AUDIO CLIP

**Due to technical difficulties the audio clip is being attached separately.**
